I am writing this letter of endorsement to support the Reformers Unanimous program. This faith based program has proven to be a huge success.

When Reformers Unanimous was introduced to the Rutherford County Adult Detention Center it filled a much needed void. I have never seen a program transform a facility the way R.U. did. The program not only enlightens the lives of the incarcerated that we administer to but also the way the staff interacts with them. In my twenty years in corrections and law enforcement, I have never seen a program captivate a facility in this manner. The Reformers Unanimous staff has brought a ray of hope and love to this detention center as well as to the surrounding community. Individuals who have been repeat offenders for many years have given their lives to Christ and digressed from their addictions. These individuals are returning to society as productive citizens and are, at times, returning to the facility to mentor to those still incarcerated. Needless to say, I am a strong advocate for a Reformers Unanimous program in every correctional facility and community. I truly believe that without faith, addiction programs are more likely to fail.

I will be honored to act as an ambassador in the promotion of the Reformers Unanimous program whenever needed.

If any further information is needed or I can assist in any way please do not hesitate to contact me on 615-904-3104 or at the above address.

Sincerely,

A handwritten signature in black ink, appearing to read "Lt. Bernard C. Salandy".
