## INTERNATIONAL DIRECTOR

Benjamin R. Burks

In 2001, I attended the first conference in Rockford, Illinois, hosted by RU Recovery Ministries. I left Rockford with an intense desire to go home to Virginia and reach the addicted within my community. We began our chapter in Virginia shortly after I returned home from that conference. My heart was stirred to reach the addicted, not only in my community, but also across America. In 2003 God led my family and I to Rockford, Illinois, only two years after attending that conference, to become the International Director of the fastest growing addiction ministry in the United States!

I am a Bible school graduate, I have worked as an Assistant Pastor, Senior Pastor, and Staff Evangelist. I have worked in ministry since 1984, and I have watched through my years as family, friends, and acquaintances have had their lives wrecked because of the many addictions that satan uses to destroy lives. I have seen the destruction up close and from afar. I grew tired of watching lives and families destroyed. God has given to me a burden and a tool to help people who are held captive by their addictions and stubborn habits. *“And ye shall know the truth, and the truth shall make you free.” -John 8:32* I have used this tool and have seen thousands of lives changed and people set free from their chains of addiction. RU is a faith based addiction program designed to direct the addicted back to God’s support group—the local church. I now am privileged to travel and train others how to help the addicted within their communities.
